ORDER SETTING A NEW TRIAL DATE AND  
EXCLUDING TIME UNDER THE SPEEDY TRIAL ACT

On September 2, 2005, this Court ordered a third mental competency evaluation for the defendant. In that Order, the Court set forth the unusual procedural history that has occurred in this case. Familiarity with that Order and the Court's "Order Finding The Defendant Competent To Stand Trial," are presumed for purposes of this Order.

There have been a number of explicit and implicit findings in this case that have excluded time under the Speedy Trial Act, 18 U.S.C. § 3161 et. seq. The purpose of this Order is to make clear that all the time up until now has been excluded

under the Speedy Trial Act, 18 U.S.C. § 3161(h)(1)(A), because of various proceedings, including examinations, to determine the mental competency of the defendant. That process was unusually long because of a number of bail violations committed by the defendant while she was on pretrial release.

The Court has now found in a separate Order that the defendant is competent to stand trial and the following dates are hereby set: a jury trial before U.S. District Judge David A. Ezra is set for March 29, 2006, at 9:00 a.m.; a Final Pretrial Conference is set for March 3, 2006, before U.S. Magistrate Judge Barry M. Kurren at 10:00 a.m.; defendant's motions are due March 2, 2006, and the government's responses are due March 16, 2006.

SO ORDERED.

/s/ Barry M. Kurren  
United States Magistrate Judge  
Dated: February 27, 2006
